

Stamford Amateur Radio Association
Meeting of the Board of Directors
May 25, 2017

This month's meeting of the Board of Directors of the Stamford Amateur Radio Association was called to order at 8:00pm on this date at the house of Ernest Laug, KA1NGG.

Present:

Jon Perelstein, AI1V, President

Ernest Laug, KA1NGG, Treasurer

Andy Siegel, N2CN, Secretary

Fred Cunningham, K1FC, Program Coordinator

Steve Urso, KB1YLQ, Trustee and Director of Emergency Preparedness

John Sabini, WB1GRB, Webmaster

Terry Martin, W1TSM, Vice-President

Field Day

Steve will take over FD cooking from Ernest. All meals will be vegan and gluten free (not).

The SMNC tents should be set up by the time we arrive because summer camp is starting a week early this year.

We have 3 tents and 1 GOTA tent, and we have ordered a fourth tent. This covers us (so to speak) for all operating positions.

Jon will handle publicity.

We need someone to run a class, demo, or lesson.

Repeaters

The 2m repeater still needs to be installed at Sterling Farms.

Programs

June: Terry will discuss Field Day preparation.

Moonbounce Demo

Paul, W2HRO will be setting up at Bill Baker's house for a moonbounce demo this coming Saturday, May 27, during the day.

Bloomin' Metric

This was a big success. We had more volunteers show up than we needed.

New Web Page

Waiting on Andy to help with domain redirect.

Treasurer's Report

Ernest reports that there is still more than \$7000 in the bank.
