Because of the COVID-19 virus this month's board meeting was held via Google Duo video calling application. Also the board has decided to cancel all monthly club meetings until further notice.

**Treasurer's Report**

Terry Martin reported that there is \$7554.83 in all bank and cash accounts.  
Twenty two (22) members have paid their 2020 dues and it was noted that annual dues do not quite cover the club's annual expenses and the board might want to consider raising dues in the future.

**Other Items**

The board discussed the COVID-19 virus effects on current and future events.  
Even though Field Day may be affected this year Terry Martin will go ahead and file all paper work required to secure our Field Day site with the city.

In lieu of an April meeting John Sabini and Terry Martin will attempt to create a video on tuners which will be posted on our [ctsara.org](http://ctsara.org) web site.
