

**Stamford Amateur Radio Association
Meeting of the Board of Directors
September 16, 2021**

This month's meeting of the Board of Directors of the Stamford Amateur Radio Association was called to order at 7:00 pm on this date via Zoom video conferencing.

Present:

Steve Urso, N1CM, President
Terry Papazidis, WA1JBO, Secretary
John Sabini, WB1GRB, Webmaster

Absent:

Jon Shapiro, AB1HI, Vice President
Terry Martin, K1FI, Treasurer
Fred Cunningham, K1FC, Program Director
Chester Piorkowski, N1CHD, Director at Large

The board discussed the club's remote station and the fact it seems to be working ok with some remaining software issues. There is a learning curve to the RemoteHams station setup and Steve Urso and John Sabini are working tirelessly to work the bugs out.

John Shapiro will be presenting the October club meeting presentation on FT8.

The club was approached by the organizers of the Bike HSS cycling event scheduled for Oct. 25, 2021 with respect to assisting with the radio communications. Steve Urso put out the call via email for any interested volunteers however there seems to be no real interest.

The next VE testing session is scheduled for October 16th.
