Treasurer's Report

After the purchase of Jon Shapiro's generator for \$550 we will have approximately \$7,550.00 balance in all our accounts. Also 501c3 and state license are due soon.

Other Items

The June VE test date has been changed to June 15th and our repeater is now echo link enabled. One of our repeater locations has experienced a reset issue, probably power related and is being investigated.

On Saturday May 18th Terry Martin will be demonstrating ham radio operations at the Redding scout camporee.

Field Day locations have been narrowed down to Fort Stamford and Northeast School. An application to use Fort Stamford has been approved by the city should we decide on that location.

June's meeting will cover Field Day 2019 operations.
